ALL ABOVE FEES ARE BASED ON A SINGLE STRUCTURE. ADDITIONAL FEES MAY BE REQUIRED BASED ON THE SCOPE OF THE PROJECT. ADDITIONAL FEES MAY BE INCURRED IF SUBMITTAL REQUIRES MORE THAN TWO REVIEWS BY THE COMMITTEE/ARCHITECT/LANDSCAPE ARCHITECT. THE FEE WILL BE DETERMINED BY WHAT ADDITIONAL WORK MUST BE DONE.

Types of Reviews and Approval levels required:

All residents are encouraged to contact the ARC when performing any work to the exterior of their home or landscaping. Most of the work will be categorized as repair and maintenance and may not need approval or a Chatham County permit. Many times, the alteration or modification can be handled through an ARC visit. Outlined below are areas where ARC approval is necessary.

- A. Alterations and Modifications are categorized as activities that do not change the overall building footprint of the property, but involve making changes affecting the outward appearance. Examples include changing colors, replacing rotted siding, replacing windows with an identical window, landscaping, grade/drainage modification, replacing a driveway or walkway, adding a deck, patio, or pergola, installing outdoor kitchens, removing trees, installing play equipment, etc.; these all require an application or form to be submitted to the ARC.
- B. Alterations and Modifications that also require a Chatham County permit include roof/shingle replacement, fences, porch enclosures that include electrical components, lanais, pools, outdoor kitchens and additions. Any modification or alteration requiring a Chatham County permit must submit a plan and review fees and must receive prior approval from the ARC.
- C. To request a change of exterior colors, a color sample must be submitted. All exterior colors and finishes must be selected from Benjamin Moore Historical colors and can be matched or blended from any reputable paint/finish manufacturer. The use of any specific color elsewhere in Southbridge does not guarantee its acceptance in other applications.

Regardless of the type of work being performed, the use of a dumpster or portable toilet on a lot requires approval from the ARC.
